

SUNDAY PARKING

New entrance to the same lot we have been using.
Revised April 2009

Please use the rented parking spaces in the parking lot located behind 528 W. ORANGE STREET. To access this lot from the front of the church, turn right onto Pine Street. Cross Orange Street, then turn left through the large gate behind the brick building. This is the same lot we have been using, but we are entering behind the building because of construction at the site.
